Sir:

In an examiner-initiated telephone conference on August 22, 2006, Examiner Turner advised the undersigned that the finality of the Office action of June 2, 2006, would be withdrawn and applicant's Amendment of August 2, 2006, would be entered.

Examiner Turner also mentioned the request in the Amendment of August 2, 2006, that the examiner issue a PTO-892 with all of the prior art that was cited of record in the prosecution of the patent of which this application is a reissue (5,688,651), pursuant to MPEP 1406. The examiner requested applicant's assistance in preparing the appropriate list of those references for this purpose. Accordingly,

Appln. No. 09/441,140
Amendment dated August 28, 2006
Reply to Office action of June 2, 2006

attached hereto is a PTO-892 listing all of the non-duplicative references that were listed on the face of patent no. 5,688,651 and were not already cited of record in this case. It is hoped that this form will be of assistance to the examiner so that she can officially make all of the documents cited thereon of record, as per MPEP 1406.

Respectfully submitted,
